## **1. Introduction**

Welcome to Hobbies!

These Terms and Conditions govern your use of the Hobbies platform, operated by **StudiU ApS**, a company registered in Denmark.

By using our website, creating an account, or engaging with the platform in any way, you agree to be bound by these Terms. If you do not agree to these Terms, please do not use Hobbies.

Hobbies is designed for individuals who wish to offer or discover informal, passion-driven, or skill-based services and homemade products. This includes hobbyists, freelancers, creators, and small businesses — especially those who are just starting out or working in a personal, local, or small-scale capacity.

The platform welcomes a wide range of offerings, such as handcrafted items, creative services, and locally made goods, as long as they are created or performed by the individual offering them. Hobbies is not intended for large-scale commercial operations or resellers of mass-produced products.

Our goal is to support visibility, discovery, and meaningful connections between people who create, offer, or seek unique, personal, or community-based experiences.
